- ❖ We broadcast our services live every Sabbath. Please refrain from any movement, activity or conversation which may transmit unfavorable messages to our online guests and others!
- ❖ During the Service, please try to refrain from exiting and entering the Sanctuary during the Intercessory Prayer, Prayer Response, Meditation, Offertory, and Special Music. If you must do so, please exit or enter as discreetly as possible.
- ❖ Please help keep the church building in a manner befitting God’s House. Please do all you can to keep it and its furnishings in the way God expects us to, and refrain from excessive noise in the Sanctuary always!
- ❖ Please leave the sanctuary in a reverent manner. All conversation should take place in the foyer or in the fellowship hall after the service.

IMPORTANT PUBLIC INFORMATION

New Yorkers, here's what YOU need to know about the coronavirus

You can prevent the spread of any virus by staying home if you feel sick, covering your sneezes and coughs with your sleeve (not your hands) and washing your hands often.

If you feel flu-like symptoms (fever, cough and shortness of breath), and recently traveled to an area affected by coronavirus, or have been in close contact with someone who has, go to your doctor. If you have symptoms but no travel history, stay home and call your doctor. If you need connection to a medical professional, call 311.

If you're feeling well, no need to wear a face mask - and don't worry if someone else does. People wear masks for many reasons - be respectful.

Check www.nyc.gov/health/coronavirus for updates and other helpful information.
